I. CURRICULUM VITAE

ACADEMIC POSITIONS

Principal Investigator, Friedrich-Alexander-Universität (FAU), Erlangen, Germany	1.6.2025-
Deutsche Forschungsgemeinschaft (German Research Foundation)	31.5.2028
“Wissende Hände: Chinesische Hand-Gedächtnis-Techniken & Handy-Wissen in Situation, Vergleich und Kontakt” (“Knowing Hands: Chinese Hand-memory techniques and Handy Knowledge in situ, comparison, and contact”).	
Based at CAS-E (Center for Advanced Studies in the Humanities and Social Sciences), Alternative Rationalities and Esoteric Practices from a Global Perspective, at Friedrich-Alexander-Universität (FAU), Erlangen, Germany (Project N° ANR-24-FRAL-0006-01)	
Retired Faculty member of The Academy at Johns Hopkins	10/2024-present
Visiting Professor, Hunan University, Yuelu Academy	01-06/2024
Visiting Scholar, Max Planck Institute for the History of Science, Berlin	06-09/2023
	10/2021-10/2022
Associate Professor, Department of the History of Medicine	2011-2021
Johns Hopkins University, School of Medicine (Retired as of July 1, 2021)	
(Joint appointment in Department of the History of Science and Technology)	
Assistant Professor, Department of the History of Medicine	2004-2011
Johns Hopkins University, School of Medicine	
(Joint appointment in Department of the History of Science and Technology)	
Assistant Professor, Department of History, University of California at San Diego	1997–2004
Instructor, Religious Studies Department, Macalester College, spring semester	1997
Lecturer, Complete and Practical Scholar Program, University of Minnesota	1995–1996

EDUCATION

Ph.D. University of Pennsylvania, History and Sociology of Science	Dec. 1997
Dissertation: “Inventing a Tradition in Chinese Medicine: From Universal Canon to Local Medical Knowledge in South China, the Seventeenth to the Nineteenth Century.”	
M.A. University of Pennsylvania, History and Sociology of Science	May 1988
Master’s Thesis: “Why Were the <i>Bencao</i> (Chinese Materia Medica) Written?”	
Awarded Jerry Stannard Memorial Award in the History of Pharmacy (May 1992)	
B.A. Brown University, Health and Society, concentration in Chinese Studies	May 1985
Honor’s Thesis: “Red Versus Expert: The Politics of Medicine in Modern China.”	

STUDY, RESEARCH, & RESIDENCY ABROAD

Chartres, Lycée de la Cathédrale, France	August 1980–June 1981
Nanjing University, Nanjing, P.R.C	January–May 1984
Nanjing College of Pharmacy, Nanjing, P.R.C	January–May 1986
Needham Research Institute, Cambridge, England	June 1990–June 1991
China Academy of Traditional Chinese Medicine, Beijing, P.R.C.	August 1991–June 1993
Kyoto, Osaka, Kobe Japan	July–August 1993
Taipei, Taiwan	June–September 2002
MPIWG, Berlin, Germany	July–September 2010
IKGF, FAU, Erlangen, Germany	October 2010–July 2011
Seoul National University, Seoul, South Korea	July–December 2013
IKGF, FAU, Erlangen, Germany	Summers 2014, 2016
MPIWG, Berlin, Germany	October 2021–Oct 2022
	June–September 2023
Yuelu Academy, Hunan University, Changsha, Hunan	May–June 2024
CAS-E, FAU, Erlangen, Germany	April 2025–May 2028

INTERNATIONAL PROFESSIONAL POSITIONS

Vice-President of the International Society for the Critical Study of Divination	2023–present
Member of the Local Organizing Committee of the 16 th International Conference for the History of Science in East Asia (ICHSEA), Frankfurt, Aug 21–26, 2023	2022–2023
Member of the International Board of the 15 th International Conference for the History of Science in East Asia (ICHSEA), Jeonju, Republic of Korea	2018–2019
President of the International Society for the History of East Asian Science, Technology, and Medicine, ISHEASTM (4-year position)	2015–2019
Member of Advisory Board, Käte Hamburger Kolleg, Internationales Kolleg für Geisteswissenschaftliche Forschung IKGF (International Consortium for Research in the Humanities), “Fate, Freedom, and Prognostication,” Friedrich-Alexander-University (FAU) Erlangen-Nürnberg	2015–2023
Member of the International Board of the 14 th International Conference for the History of Science in East Asia (ICHSEA) XIV, Paris, July 6–10, 2015	2014–2015
Member of the Local Organizing Committee, International Conference for Traditional Asian Medicine (ICTAM VIII) Sancheung, South Korea Sept 2013	2011–2013
Co-chair, 12th International Conference of the History of Science in East Asia, (ICHSEA XII) Johns Hopkins University, Baltimore, July 13–18, 2008	2005–2008
Member of the Board of the International Society for the Study of East Asian Science, Technology, and Medicine (ISHEASTM)	2005–2008
Member of Organizing Committee of the 7th International Conference of Traditional Asian Medicine (ICTAM VII) Thimphu, Bhutan, Sept 7–11, 2009	2007–2009
Secretary General, International Society for the Study of Traditional Asian Medicine (IASTAM)	2007–2009

NATIONAL PROFESSIONAL SOCIETY POSITIONS

Member of Selection Committee of Edward Gerjuoy/John Michell Award for Best Abstract by an Independent Scholar (HSS)	2024–2026
Chair of Selection Committee for the George Rosen Book Prize (AAHM)	2023
Member of Selection Committee for the Welch Medal Book Prize (AAHM)	2022
Council Member of the American Association of the History of Medicine (AAHM)	2017–2020
Member of Selection Committee for the Shryock Essay Prize (AAHM)	2016
Member of Selection Committee, Forum for the History of Science in Asia Essay Prize (HSS)	2015

Member of Selection Committee for the Welch Medal Book Prize (AAHM)	2013
Member of Selection Committee, the Shryock Essay Prize (AAHM)	2012
Member of the Abstract Review Committee for National Conference (AAHM)	2011

EDITORIAL POSITIONS

Associate Editor, <i>Asian Medicine: Journal of the International Society for the Study of Traditional Asian Medicine</i> (ASME)	2017-present
Senior Co-editor, <i>Asian Medicine: Tradition and Modernity</i> (Brill)	2011-2016

EDITORIAL BOARD MEMBER POSITIONS

Editorial Board, <i>International Journal of Divination and Prognostication</i>	2023-present
Editorial Board, <i>Chinese Medicine and Culture</i>	2021-present
Editorial Board, History of Science Society (HSS) Newsletter	2019-2021
Editorial Board, <i>East Asian Science, Technology, and Society</i> (EASTS)	2018-present
Reviewer, <i>East Asian Science, Technology, and Society</i> (EASTS)	2006-2018
Reviewer, <i>East Asian Science, Technology, and Medicine</i> (EASTM)	2004-present
Reviewer: <i>Bulletin of the History of Medicine, Chinese Medicine and Culture, Early Science and Medicine, Harvard Journal of Asiatic History, History of Science, International Journal of Asian Studies, Isis, Journal of the History of Medicine and Allied Sciences, Late Imperial China, Monumenta Serica, Numen, Nuncius, Social History of Medicine, T'oung Pao,</i>	

AWARDS

Derek Price and Rod Webster Prize for the best *Isis* article in the past 3 years. Awarded at HSS meeting in Utrecht, July 25, 2019. Co-authored with Gianna Pomata, "Medicinal Formulas and Experiential Knowledge in the Seventeenth-Century Epistemic Exchange between China and Europe," *Isis: A Journal of the History of Science Society* 108.1 (2017): 1-25.

Runner-Up Recognition for Best Special Issue of 1999. Awarded by the Council of Editors of Learned Journals of the Modern Language Association for "Empires of Hygiene," special issue of *Positions: East Asia Cultures Critique*, winter 1998 (6.3).

Jerry Stannard Memorial Award in the History of Pharmacy for Master's Thesis, "Why Were the *Bencao* (Chinese Materia Medica) Written?" Univ. of Pennsylvania, 1992

FELLOWSHIPS & GRANTS

FRAL ANR-DFG Research Grant, German PI, "Knowing Hands: Chinese Hand-memory Techniques and Hand Knowledge in Situ, Comparison, and Contrast," 6/2025-5/2028

Max Planck Institute for the History of Science, Visiting Scholar, October 2021-October 2022, and June 1-September 30, 2023

EHESS-École des hautes études en sciences sociales, Visiting Professor, November 2019

National Endowment for the Humanities Fellowship, January-December 2019

Institute for Advanced Study, Elizabeth and J. Richardson Dilworth Fellow, School for Historical Studies, Princeton, New Jersey September 2017-May 2018

Global Research Network, Korean National Research Foundation, member of group project titled, "Korean Medicine from the Chosŏn dynasty to contemporary Korea: An Anthropological and Historical Investigation," 2014-2017

Templeton Foundation Study of Religion & Science in East Asia, Fellowship, Seoul National University, South Korea, July-December 2013

University of Erlangen-Nürnberg, International Consortium for Research in the Humanities Fellowship, Oct 2011-July 2012, summer months in 2014, 2016

Max Planck Institute for the History of Science, Visiting Researcher, July-September 2011

American Council of Learned Societies/Chiang Ching-Kuo Foundation for International

Scholarly Exchange, “New Perspectives in Chinese Culture & Society” Workshop support for “Body Wholes, Body Parts: A Cultural History of the Body in Chinese Medicine,” Johns Hopkins University, Department of the History of Medicine, July 19, 2008
 National Endowment for the Humanities Fellowship, January-December 2002
 National Taiwan Library Research Grant, Center for Chinese Studies, 2002
 Visiting Fellow, East Asian Studies Department, Princeton University, Sept. 2001-June 2002
 UCSD Faculty Career Development Program Grant, Sept-Dec. 2001
 Visiting Scholar, Institute for Advanced Study, School for Historical Studies, East Asian History Group, Princeton, New Jersey, January-August 2001
 University of California President’s Fellowship in the Humanities, 2000-2001
 UCSD Humanities Center Fellowship, 2000-2001
 UCSD Faculty Career Development Grant, 2000
 UCSD Academic Senate Research Grant, 2000
 Hellman Fellows Program in the Arts & Humanities and Social Sciences Fellowship, 1999-2000
 UCSD Academic Senate Travel Grants, Spring 1998, Winter 1999, Summer and Fall 2000
 Title VI Foreign Languages and Area Studies Fellowships, 1992-94
 Committee on Scholarly Communication with the People’s Republic of China, 1991-92
 National Science Foundation Fellowship for Research on Chinese Science, 1990-91
 Awarded American Council of Learned Societies Pre-doctoral Grant, 1990
 Title VI Foreign Languages and Area Studies Fellowship, 1989
 Rockefeller Archive Center Grant, 1988
 National Science Foundation Fellowship for the History of Science, 1986-89
 Henry Wittemore Award for Excellence in Asian Languages and Literature, 1985
 Baker Fellowship for Graduate Study, Brown University, 1985

LANGUAGES:

Spoken and reading: modern Chinese and modern French

Reading ability: advanced Literary Chinese, and when needed, basic Japanese, German, & Latin

COURSES: UNDERGRADUATE, GRADUATE, & MEDICAL STUDENTS

1997 Religions of East Asia, Instructor, Religious Studies, Macalester College, St. Paul, MN
 1997–2000 East Asia: The Great Tradition (Neolithic cultures to the 13th century), UCSD
 1998–2000 History of Medicine in China, Instructor, Department of History, UCSD, CA
 1998–2000 Late Imperial Chinese Culture and Society, 1400–1800, Instructor, UCSD, CA
 1999–2000 Comparing Science in China and the West, Co-Instructor with Robert Westman, Department of History, UCSD, CA
 1998–2000 Women and the Family in Chinese History, 1000–1800, Instructor, UCSD, CA
 1998–2000 History of Chinese Science, Technology, and Medicine, Instructor, UCSD, CA
 1998–2000 History of Ancient China, Graduate Fields Seminar, Instructor, Chinese History program, Department of History, UCSD, CA
 1998–2000 Late Imperial Chinese History, Graduate Fields Seminar, Instructor, Chinese History Program, Department of History, UCSD, CA
 2000 History of Science and Medicine in Modern China, Instructor, Dept of History, UCSD, CA
 2003 East Asia: The Great Tradition (Neolithic cultures to the 13th century), Instructor, UCSD
 2005, 2007 Methods of the History of Science, Technology, and Medicine, Co-instructor with Prof. Mary Fissell, Department of the History of Medicine, Johns Hopkins University,
 2006, 2007 History of Chinese Medicine, Instructor, Department of the History of Science and Technology, Johns Hopkins University, Baltimore, MD
 2007 History of Public Health in China, Instructor, Department of the History of Medicine and Bloomberg School of Public Health, Johns Hopkins University, Baltimore, MD
 2008 Medicine and Science in History: A Survey of Historiography, Co-instructor with Prof. Daniel Todes, Department of the History of Medicine, Johns Hopkins University

- 2009 History of Public Health in China, Co-instructor with Prof. Juliette Chung (National Tsing-Hua University, Taiwan), Department of the History of Medicine, Johns Hopkins
- 2009, 2010 Methods of the History of Science, Technology, and Medicine, Co-instructor with Prof. Harry Marks, Department of the History of Medicine, Johns Hopkins University
- 2010 Medicine and Science in History: A Survey of Historiography, Co-instructor with Prof. Gianna Pomata, Department of the History of Medicine, Johns Hopkins University
- 2011 Medicine and Science in History: A Survey of Historiography, Department of the History of Medicine, Johns Hopkins University
- 2011 Spring History of Chinese Medicine, Instructor, Department of the History of Science and Technology, Johns Hopkins University
- 2012 Fall Methods of the History of Science, Technology, and Medicine, Department of the History of Medicine, Johns Hopkins University
- 2013 Spring Cross-Cultural Medical Histories, New Graduate course, Co-instructor with Prof. Gianna Pomata, Department of the History of Medicine, Johns Hopkins University
- 2014 Spring Medicine and Science in History: A Survey of Historiography, Department of the History of Medicine, Johns Hopkins University
- 2014 Fall Methods of the History of Science, Technology, and Medicine, Department of the History of Medicine, Johns Hopkins University
- 2015 Spring 1. Methods in the History of Chinese Medicine, new Graduate seminar
2. Prepare new course for Online Methods: Intro. to Methods in the History of Medicine
- 2015 Fall History of Chinese Medicine, Instructor, undergraduate seminar course, Department of the History of Science and Technology, Johns Hopkins University
- 2016 Spring History of Public Health in East Asia, New Undergraduate Course, Instructor, Department of the History of Science and Technology, Johns Hopkins University, Baltimore, MD
- 2016 Fall 1. Methods of the History of Science, Technology, and Medicine, Instructor, Graduate Course
Department of the History of Medicine, Johns Hopkins University
2. New Online Introduction to Methods in the History of Medicine, Instructor, New MA & Certificate program, Department of the History of Medicine, Johns Hopkins University
- 2017 Spring History of Medicine in China
- 2018 Fall 1. History of Public Health in East Asia, 2. History of Public Health in East Asia Through Film & Documentaries
- 2020 Spring 1. History of Medicine in China, 2. Scholarly Concentration in the History of Medicine, yr 1
- 2020 Fall 1. History of Medicine: Antiquity to the Scientific Revolution, 2. Scholarly Concentration in the History of Medicine, year 1
- 2020 Spring 1. History of Public Health in East Asia, 2. History of Public Health in East Asia Through Film & Documentaries, 3. Scholarly Concentration in the History of Medicine, year 2

II. PUBLICATIONS

CURRENT BOOK PROJECT:

Grasping Heaven and Earth (Qian Kun zai wo 乾坤在握): The Mind in Hand in Classical Chinese Medicine

A. BOOKS

Speaking of Epidemics in Chinese Medicine: Disease and the Geographic Imagination in Late Imperial China. Needham Research Institute Series on East Asian Science, Technology, and Medicine. London: Routledge Press, 2011.

B. EDITED SOURCEBOOKS OF TRANSLATIONS

In Process:

Medicine and Healing in Premodern East Asia. Broadview Sourcebook Series. Co-edited by Marta Hanson and Connie Cook. (We plan to work on after Sivin's sourcebook is in press).

Forthcoming

Health Care in Premodern China: A Sourcebook, by Nathan Sivin. Co-edited by Asaf Goldschmidt, Marta Hanson, and Michael Nylan. New York: SUNY Press, Forthcoming 2026.

C. ARTICLESForthcoming:

“From ‘Losing Teeth’ (落齿) to ‘Flying Over the Seniors’ Home’ 《飞越老人院》: Chinese Poetry, Painting, and Films about Aging for Narrative Medicine.” Translated from English into Chinese in *Zhongyiyao lishi yu wenhua* 中医药历史与文化 (*The Chinese Medical Humanities Review*), 2025. Submitted to Guo Liping, Sept 23, 2024.

Published:

- “Medical Bilingualism: Reframing the Overlap between Medical Systems in Recent medical History and Anthropology.” Co-authored with Victor Kumar. Special issue on “The Encounter of Chinese Medicine and Modern Western Medicine in China,” edited by Yuhong Jiang and Michael Shi-yung Liu, *Chinese Medicine and Culture*. Published online August 5, 2025. <http://dx.doi.org/10.1097/MC9.0000000000000157>
- “In Memoriam, Natalie Köhle (1977-2024).” With Katja Guenther and Daniela Helbig. *Bulletin of the History of Medicine* 98 (2024): .v-xii.
- “A Tribute for Nathan Sivin (11 May 1931-24 June 2022): *Science and Civilisation in China* Contributor, Non-conformist Scholar, Self-Proclaimed Generalist, and Proud Dilettante.” Co-authored with Asaf Goldschmidt and Michael Nylan. *East Asian Science, Technology, and Medicine* 56 (2024): 1-43.
- “Embodying Divination.” *International Journal of Divination and Prognostication* 5.1 (2024): 24-44.
- “L’esprit en main dans le Canon classifié (Leijing 類經, 1624) [The Mind in Hand in the Classified Canon, 1624]. *Revue Historique* 707 (July 2023): 463-510. <https://doi.org/10.3917/rhis.233.0463>
- “Grasping Heaven and Earth (Qian Kun Zai Wo 乾坤在握): The Body-as-Technology in Classical Chinese Medicine.” *Chinese Medicine and Culture*. 6.3 (2023): 233-246.
